

Official MACI Website Document www.maci.ie

MACI LARGE MODEL RENEWAL FORM

For models previously registered as per Appendix N.

Required annually for any powered model over 7 kg weight where details have not changed.
Do not operate a large model until this procedure has been complied with and also until you have studied and complied with regulations issued by the Irish Aviation Authority governing the flying of large models.

Surname			First Name	
Email				
MACI No	IRL –		Club	

Model Name	MACI Reg.	IAA Reg.

Mandatory requirements

- MACI and IAA registration numbers permanently affixed to model
- Receiver battery has a minimum capacity of 2000 mAh
- On-board battery state indicator fitted
- If a model weighs >25kgs, A copy of the Irish Aviation Authority approval is required

I wish to renew the registration on the above large models already registered with MACI.

I certify that the above details are correct and no change in weight, dimensions or the mandatory safety requirements has occurred to any of the models since they were first registered with MACI. I agree that this form will become invalid should a change occur in any of them. If I cease to own or operate any of the above models I will return any large model identification card issued. (A new form must be submitted annually to MACI on affiliation).

Signed		Date
