

Official MACI Website Document www.maci.ie

The Model Aeronautics Council of Ireland consists of its individual affiliated members and their aeromodelling clubs around the country.

Both Club and Individual members are covered under the MACI insurance policy.

The standard form of membership is club membership where all the members of a club are affiliated annually every March 31st. Affiliated clubs have the right to send delegates to all MACI Council meetings.

Club, Non Club and associated members have equal rights at an AGM or EGM.

A “Non Club” member may affiliate only where a person does not live near a club but holds a relevant B achievement certificate, normal Insurance Criteria applies.

Associate membership is when a person affiliates to MACI only as an individual. This is suitable for someone who wishes to encourage the sport in Ireland and support responsible aeromodelling by association with MACI, however they cannot avail of the MACI insurance cover.

MACI has an umbrella insurance policy covering both public liability and member to member risks. All affiliated clubs and their members are covered under this policy. Non club members who hold a B achievement certificate are also covered under the policy.

Membership categories are divided into the following categories:

Senior	A person of 18 years or over at the time of affiliating or renewing
Junior	A person under the age of 18 years at the time of affiliating or renewing
Family member	A person under the age of 18 sharing a common address with a parent who is a senior member of MACI. Family members will not get separate notifications or copies of <i>Flight Lines</i>
Spouse or Partner	The spouse or partner of a senior member and sharing a common address with a senior member of MACI. Spouse or partner members will not get separate notifications or copies of <i>Flight Lines</i>
Non Club Member	A “Non Club” member may affiliate where a person does not live near a club but holds a B achievement certificate, normal Insurance Criteria applies.
Associate	A person who wishes to encourage the sport in Ireland and support responsible aeromodelling by association with MACI but without insurance cover
